Facility Participating Provider shall accept without regard to race, religion, gender, color, national origin, age or physical or mental health status, or on any other basis deemed unlawful under federal, state or local law. At all times, Facility Participating Provider shall require any employed or subcontracted health care professionals and facilities to comply with the terms and conditions of this Agreement, all Protocols of North Sound BH-ASO and Payor, the Supplemental Provider Service Guide, as well as the requirements of all applicable laws and regulations.

2.2 Medicaid Eligibility. Facility Participating Provider shall make reasonable effort to verify an Individual's eligibility at time of service by following appropriate procedures, including without limitation, and at a minimum, the terms and conditions of this Agreement, Protocols and the Supplemental Provider Service Guide. Facility Participating Provider however recognizes that the Individual's eligibility information may be inaccurate at the time. Facility Participating Provider obtains verification and that the Individual, or the Services provided to the Individual, may later be determined to be Medicaid eligible and, except as otherwise required by law, not eligible for payment under this Agreement. Under such circumstances, Facility Participating Provider may then, except as otherwise stated herein, directly bill the other responsible party for such services.

2.3 Supplemental Provider Service Guide & Protocols. Facility Participating Provider shall accept, comply with, and cooperate with, the requirements set forth in the Supplemental Provider Service Guide, credentialing plan, and all Protocols, as amended or modified from time to time by North Sound BH-ASO and/or Payor, all of which are hereby incorporated herein by reference as if set forth fully herein, including without limitation quality improvement activities. Authorizations shall subsequently be confirmed by North

Sound BH-ASO in writing. Except as otherwise permitted herein, only Involuntary Psychiatric Inpatient Services will be eligible for retroactive authorization at the sole discretion of North Sound BH-ASO or as required by applicable law. Any authorization resulting from wrongful, fraudulent or negligent actions of Facility Participating Provider or a breach of this Agreement shall be null and void as of the time given. The terms of this section shall prevail over any inconsistent term or condition in the Supplemental Provider Service Guide or other document related to obtaining prior authorization.

2.5 Provider's Standard of Care. Nothing in this Agreement, the Supplemental Provider Service Guide, the Policies and Procedures, or the Protocols, including without limitation, North Sound BH-ASO's utilization management and quality assurance and improvement standards and procedures, shall dictate the Psychiatric Inpatient Services to be provided by Facility Participating Provider or otherwise diminish Facility Participating Provider's obligation to freely communicate with and/or provide Psychiatric Inpatient Services to Individuals in accordance with the applicable standard of care for such Provider or for maintaining hospital accreditation according to industry standards and requirements.

2.6 Continuity of Care; Referral to Other Health Professionals. Facility Participating Provider shall furnish Services in a manner providing continuity of care and ready referral of Individuals to other Participating Providers at times as may be appropriate and consistent with the standards of care in the community if an Individual requires additional services or evaluation, including Emergency Services.

2.10 Arrangements for Post-Discharge Follow-up Care. Prior to discharging an Individual, Facility Participating Provider shall coordinate post-discharge follow-up care with North Sound BH-ASO

ARTICLE 3

Payment Provisions

3.1 Payment for Services. In accordance with the terms and conditions hereof, Payor shall pay Facility Participating Provider for Psychiatric Inpatient Services provided by Facility Participating Provider. Payment shall be in accordance with the Health Care Authority's published rates, found at: <https://www.hca.wa.gov/billers-providers-partners/prior-authorization-claims-and-billing/hospital-reimbursement>

Subject to the terms and conditions herein, the obligation for payment for Psychiatric Inpatient Services provided to a Non-Medicaid Individual, is solely that of Payor. When North Sound BH-ASO is the Payor, North Sound BH-ASO shall make obligated claim payments to Facility Participating Provider within 45 days (and shall use best efforts to encourage a third-party Payor to make payments within 45 days), or as otherwise required by law, of the date Payor receives all information necessary to process and pay a clean claim, except for claims for which there is coordination of benefits, disputes about coverage, systems failure or other such causes.

3.2 Submission of Claims. Facility Participating Provider shall submit claims for Psychiatric Inpatient Services to North Sound BH-ASO in a manner and format prescribed by North Sound BH-ASO, whether in Protocols or otherwise, and which may be in an electronic format. All information necessary to process the claims must be received by North Sound BH-ASO no more than 365 days from the date of discharge and 365 days from the date all Psychiatric Inpatient services are rendered. Facility Participating Provider agrees that claims received after this time period may be rejected for payment, at North Sound BH-ASO's and/or Payor's sole discretion.

Unless otherwise directed by North Sound BH-ASO, Facility Participating Provider shall submit claims using current UB04 forms, with applicable coding including, but not limited to, ICD9, CPT, Revenue and HCPCS coding. Facility Participating Provider shall include in a claim the Individual's certification number, HCA per diem Charges for the Services rendered to an Individual during a single instance of service, Facility Participating Provider's Federal Tax I.D. number and/or other identifiers requested by North Sound BH-ASO.

3.3 Payment in Full. Facility Participating Provider shall accept as payment in full for Psychiatric Inpatient Services rendered to Individuals such amounts as are paid by Payor pursuant to this Agreement and shall not bill Individuals for non-covered charges, which result from Payor's reimbursement methodologies. If Payor denies payment for services rendered by Facility Participating Provider on grounds that the services are not Medically Necessary, Facility Participating Provider shall not collect payment from an Individual for the services unless the

Individual has knowledge of the determination of lack of Medical Necessity and has subsequently agreed in writing to be responsible for such charges for Psychiatric Inpatient Services. Further, if any payment to Facility Participating Provider is denied, in part or full, due to Facility Participating Provider's failure to strictly comply with any term or condition in this Agreement, the Supplemental Provider Service Guide, the Protocols, including without limitation, obtaining prior authorization, untimely filing of a claim, inaccurate or incorrect submission of or claim processing, or the insolvency of Payor pursuant to applicable law, it is agreed that Facility Participating Provider shall not bill an Individual or otherwise, directly or indirectly, seek or collect payment from the Individual for any of the denied amounts. Any violation hereof by Facility Participating Provider shall be deemed a material breach. This provision shall apply regardless of whether any waiver or other document of any kind purporting to allow Facility Participating Provider to collect payment from the Individual exists. These provisions shall survive the termination hereof and shall be construed to be for the benefit of the Individual.

3.4 Overpayment Recovery.

Any such request must specify why Facility Participating Provider believes Payor owes the additional payment.

(1) Facility Participating Provider may not, if doing so for reasons related to coordination of benefits with another carrier or entity responsible for payment of a claim: (a) Request additional payment from North Sound BH-ASO to satisfy a claim unless he or she does so in writing to UBH within 30 months after the date the claim was denied or payment intended to satisfy the claim was made; or

Any such request must specify why Facility Participating Provider believes the North Sound BH-ASO owes the additional payment, and include the name and mailing address of any entity that has disclaimed responsibility for payment of the claim.

Any such request must specify why North Sound BH-ASO believes Facility Participating Provider owes the refund, and include the name and mailing address of the entity that has primary responsibility for payment of the claim. If Facility Participating Provider fails to contest the request in writing to the North Sound BH-ASO within 30 days of its receipt, the request is deemed accepted and the refund must be paid.

(3) North Sound BH-ASO, as applicable, may at any time request a refund from Facility Participating Provider of a payment previously made to satisfy a claim if: (a) A third party, including a government entity, is found responsible for satisfaction of the claim as a consequence of liability imposed by law, such as tort liability; and (b) North Sound BH-ASO, is unable to recover directly from the third party because the third party has either already paid or will pay Facility Participating Provider for the services covered by the claim.

(4) If any other provision of this Agreement conflicts with this section, this section shall prevail. However, nothing in this section prohibits Facility Participating Provider from choosing at any time to refund to North Sound BH-ASO, any payment previously made to satisfy a claim.

(5) For purposes of this section, "refund" means the return, either directly or through an offset to a future claim, of some or all of a payment already received by a health care provider.

In the event of a default (meaning a systematic failure by Payor to fund undisputed claim payments for Psychiatric Inpatient Services) by a Payor, except when due to the insolvency of Payor, North Sound BH-ASO shall notify Facility Participating Provider in writing of such default following North Sound BH-ASO's determination thereof.
