RE: HCA Required Mobile Crisis Response Training – January 2023

On 12/19/2022, HCA announced upcoming training requirements for all mobile crisis response staff in January 2023. Please see HCA correspondence and training flyers for:

- Mobile Crisis Response (Adult Training) – Strategies for Effective Mobile Crisis Response.
- Mobile Crisis Response (Youth and Family Training) – Developmentally Appropriate Strategies for Mobile Response and Stabilization

These trainings are required for all North Sound BH-ASO contracted crisis agency staff. This will support our State in meeting requirements for an enhanced federal Medicaid match percentage for crisis funding in 2023.
