North Sound BH-ASO Memorandum 2021-09

DATE: 11/29/2021
TO: North Sound BH-ASO Provider Network
FROM: Margaret Rojas, Assistant Director
RE: Invoicing Terms

Attached to this Numbered Memorandum is a directive from the Health Care Authority (HCA). Beginning December 1, 2021, we will require all contracted providers to invoice the North Sound BH-ASO within 30 days from the month of service, services provided between June 1-30 must be invoiced on or before August 1st.

We understand this may be a hardship, however we can no longer guarantee payment for late invoices. HCA is out of compliance with federal reporting requirements and will not pay ASO invoices later than 45 days from the month of service, services provided between June 1-30 must be invoiced to HCA on or before August 15th to be paid.

This is especially important at the end of the fiscal year (June), late invoices will be denied payment by HCA and in turn the ASO will deny payment to the provider.

Contract language setting out the invoice terms will be included in your December amendment, taking effect on December 1, 2021.

Do not hesitate to contact us with any concerns or questions.
