RE: Behavioral Health Enhancement Funds

We are pleased to announce the Behavioral Health Enhancement Funds (BHEF) have been renewed for the period of January – June 2022. Due to the limited amount of funding, \$389,594, the BHEF will be allocated to the following programs:

- Mobile Crisis Outreach Teams, including Designated Crisis Responder Services
- Evaluation & Treatment Centers
- Crisis Triage Centers/Acute Withdrawal Management

As you may recall, we conducted a survey in October 2021 and based on the survey results the top three workforce development priorities are as follows:

- Retention
- Recruitment
- Clinical Supervision

We ask you complete the attached BHEF template to request funds for workforce development. Please be as targeted as possible in your request.

Please do not hesitate to reach out with any questions. Thank you.
