II. Information and Background

History

North Sound Behavioral Health Administrative Services Organization (North Sound BH-ASO)'s History and Structure: The North Sound Regional Support Network (NSRSN) began operations on January 1, 1991 dba as the North Sound Mental Health Administration (NSMHA). On April 1, 2016 NSMHA transitioned into a Behavioral Health Organization to comport with state law and begin contracting for substance use disorders services. On July 1, 2019 the North Sound Behavioral Health Organization, LLC (North Sound BHO) transitioned to an Administrative Services Organization, responsible for Crisis Services and limited behavioral health services for individuals who are ineligible for Medicaid. The North Sound BH-ASO is governed by an Interlocal Operating Agreement between Island, San Juan, Skagit, Snohomish and Whatcom counties which defines the geographic service area of the North Sound Region. The North Sound BH-ASO contracts with the Washington State Health Care Authority to provide public behavioral health services for these five counties (North Sound Region Service Area).

North Sound BH-ASO is governed by a Board of Directors comprised of elected officials or their designated alternates, the Chair and Vice-Chair of the Regional Advisory Board, and representatives of the eight (8) Tribal sovereign nations within the North Sound Region. According to the terms of the Interlocal Agreement, Board of Directors votes are divided as follows:

Snohomish County – 4	Island - 1
Whatcom County - 2	San Juan -1
Skagit County – 1	Tribes – 1 (ex-officio)
North Sound BH-ASO Advisory Board-2 (ex-officio)	

The Five Counties of the North Sound BH-ASO Region

The five counties of Island, San Juan, Skagit, Snohomish, and Whatcom represent the geographic, economic, and cultural diversity of Washington State as a whole.

Snohomish County

Covers 2,196 square miles with a population estimated at 827,957 as of 2020, Snohomish County borders Puget Sound on the west and includes the Cascade Range in the east. It includes several suburban communities such as Bothell and Lynwood with easy access to Seattle, as well as highly isolated rural communities such as Darrington and Index. Everett is the largest city in Snohomish County as well as the county seat, and supplies the Boeing Company with tens of thousands of workers. Snohomish County is named for the Snohomish people of the Lushootseed Native American tribe.

Skagit County

To the north of Snohomish County, Skagit County is both smaller in size and less densely populated than its southern neighbor. Skagit County covers 1,920 square miles, much of which is farmland. The broad, fertile valley of the Skagit River runs through the county, which cultivates tulips and strawberries. Mount Vernon is the largest city and county seat. As of 2020 the population of Skagit County was 129,523.

Whatcom County

To the north of Skagit lies Whatcom County, which abuts Canada to the north. The population of Whatcom County was estimated to be 228,831 in 2020, spread among its 2,503 square miles, making it the geographically largest of the five counties. Whatcom is the home to Western Washington

North Sound BH-ASO Request for Proposal

University, the northernmost university in the contiguous United States. The campus is housed in Bellingham, which is also the largest city and county seat.

Island County

As its name suggests, Island County is comprised entirely of islands. The two largest are Whidbey and Camano. Both the county seat of Coupeville and largest city, Oak Harbor, are on Whidbey, which is accessed by regular ferry service as well as by bridge over Deception Pass. Island County covers 517 square miles and has a population that as of 2020 was estimated at 87,432.

San Juan County

Composed of a population of only 18,557 according to a 2020 estimate, the county's residents are spread over 754 small islands and rocks in the San Juan Island chain. Friday Harbor is the county seat, a logical choice since it is also the only incorporated town in the San Juan Islands. Orcas, San Juan, and Lopez are the largest of the many islands in San Juan County. While San Juan County as a whole has the highest per capita income in the state of Washington, isolated areas such as Waldron Island remain extremely poor, with by one estimate over half of its population living below the poverty line.

The North Sound BH-ASO

An organization of dedicated individuals charged with overseeing publicly funded crisis services and limited behavioral health services in the North Sound Region. Our job is to ensure that services are person centered, recovery oriented and delivered with dignity and respect to each unique individual we serve. To that end, we work to accomplish our mission, be true to our vision and keep our values in the forefront of all our business deliberations and decisions.

Mission:

Empowering individuals and families to improve their health and well-being.

Vision:

A system of care that is shaped by the voices of our communities and people using behavioral health services. The people who work in this system are competent, compassionate, empowering and supportive of personal health and wellness.

Values:

- Integrity: We nurture an environment of transparency, trust and accountability
- Collaboration: We believe every voice matters
- Respect: We accept and appreciate everyone we encounter
- Excellence: We strive to be the best in everything we do
- Innovation: We endeavor to try new things, be forward thinking, learn from mistakes and be adaptable
- Culture: We endeavor to be culturally educated and responsive
- Social Equity: We commit to working to reduce institutionalized racism and reduce disparities in health care

III. Intent

North Sound Behavioral Health Administrative Services Organization (North Sound BH-ASO) was awarded a 3-year Rural Communities Opioid Response Program (RCORP) grant through the Health Resources and Services Administration (HRSA) in 2021. This project involved developing a coalition of treatment providers to bring prevention, treatment, including Medication Assisted Treatment (MAT), and recovery services to individuals diagnosed with Opioid Use Disorder (OUD), to several rural, underserved communities in the North Sound. One of these communities is Concrete, Washington.

Mount Baker Presbyterian Church is a current HRSA grant coalition partner and offers a no-charge location for MAT services in Concrete which includes a private office, as well as outreach and service referral opportunities. The successful bidder of this RFP may have the option to utilize this location.

The North Sound BH-ASO is looking to fund an additional MAT provider to expand services in Concrete, WA and to maintain MAT services beyond the expiration of the current grant, which will end in August of 2024. Services may begin as early as January 1, 2024. For any services provided during the final year of the RCORP grant, there will be data submission requirements involving demographic, diagnostic and referral information.

Funding allocation is \$50,000 per year, with an expectation of providing on-site MAT services at least one day per week in Concrete, WA.

IV. Overview and Timeline

All organizations must submit a *Letter of Intent* and an *RFP Application* to be considered. See *below timeline*.

Questions regarding this process or the Request for Proposal (RFP) must be received electronically by North Sound BH-ASO; send questions to North Sound BH-ASO at deliverables@nsbhaso.org. Answers to all questions will be posted on the North Sound BH-ASO website (www.nsbhaso.org). See *below timeline*.

Completed application materials must be submitted to deliverables@nsbhaso.org. Mailed applications will be accepted at 2021 College Way, Suite 101, Mt. Vernon, WA. See *below timeline*.

Applications will be scored by an Evaluation Committee which will make recommendations to the North Sound BH-ASO Executive Director. See *Scoring and Selection* for more information.

North Sound BH-ASO reserves the right to: reject any and all Applications; extend the Application submission date; amend the RFP; and waive any irregularities or informalities in any applications. North Sound BH-ASO shall be the sole judge of the merits of each application. Additionally, the North Sound BH-ASO may, at its discretion, request that applicants submit additional information in order to permit a more informed evaluation.

All applications submitted must contain a statement disclosing or denying any interest, financial or otherwise, that any employee or official of North Sound BH-ASO or the appropriate Advisory Board may have in the proposing agency or proposed project.

Neither applicant nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation.

An oral presentation may be required of those prospective contractors whose applications are under consideration. Prospective contractors may be informed that an oral presentation is desired and will be notified of the date, time and location the oral presentation is to be conducted.

V. Scoring and Selection Process

Applications will be evaluated and scored by an Evaluation Committee comprised of North Sound BH-ASO staff. Once an applicant is qualified, a selection committee will be convened to determine which applicant will be chosen. The selection will be based on the unmet needs identified in the region. The Selection Committee will make recommendations to the North Sound BH-ASO Executive Director.

Each Minimum Qualification and each scored item in the Proposal Evaluation Criteria must be addressed. Organize responses in the same order with the correct heading/question as shown in the RFP if not using the provided form.

Each item has either a Scoring Weight or a N/S that means Not Scored. Each item that is scored will receive a score of 0, 1, 2, 3 or 4. This score will be multiplied by the weight for that item to arrive at the total scored points for the item. For example, if an item has a weight of 10 and an evaluator assigns a score of 3, that item for that evaluator will have given a total score of 30 points.

Each evaluator shall independently assign a score to areas based on the written proposals. Scores will then be summed for all members of the Evaluation Team for each section of the Application.

The evaluators will use the following scoring method:

- 0=no experience/capacity
- 1=limited experience/capacity
- 2=partial experience/capacity
- 3=strong experience/capacity
- 4=extensive experience/capacity

Optional Interview

If a selection cannot be made based on the written proposal evaluation and the organization performance rating alone, North Sound BH-ASO shall elect to interview the top two or more Applicants. Interviews will be worth 10 points. If interviews are conducted, the final award would be based upon the total points awarded for the written evaluation, agency performance and the oral interview.

VI. Appeal Process

Applicants may appeal only deviations from laws, rules, regulations, or procedures. Disagreement with the scoring by evaluators may not be appealed.

The following procedure applies to Applicants who wish to appeal a disqualification of Application or award of contract:

1. All appeals must be in writing and physically received by the North Sound BH-ASO Executive Director no later than 4:00 p.m. on the fifth (5th) working day after the postmarked date of the notice of disqualification or intent to award.

Address appeals to:
Margaret Rojas, Assistant Director
North Sound BH-ASO
2021 E College Way, Ste. 101
Mt Vernon, WA 98273

2. Appeals must specify the grounds for the appeal including the specific citation of law, rule, regulation, or procedure upon which the protest is based. The judgment used in scoring by individual evaluators is not grounds for appeal.
3. Appeals not filed within the time specified in paragraph 1, above, or which fail to cite the specific law, rule, regulation, or procedure upon which the appeal is based shall be dismissed.

VII. General Procurement Information

RFP Amendments:

- A. North Sound BH-ASO may, at any time before execution of a contract, amend all or any portion of this RFP. North Sound BH-ASO will e-mail any RFP amendments to you. If there is any conflict between amendments or between an amendment and the RFP, whichever document was issued last in time shall be controlling.
- B. Retraction of this RFP
North Sound BH-ASO is not obligated to contract for the services specified in this RFP. North Sound BH-ASO reserves the right to retract this RFP in whole, or in part, and at any time without penalty.
- C. Rejection of All Proposals
This RFP does not obligate North Sound BH-ASO to contract for services specified herein.
- D. Most Favorable Terms
North Sound BH-ASO reserves the right to make an award without further discussion of the proposal submitted. Therefore, the proposal should be submitted initially on the most favorable terms the applicant can put forward. There will be no best and final offer procedure. North Sound BH-ASO reserves the right to contact a bidder for clarification of its proposal.

The applicant should be prepared to accept this RFP for incorporation into a contract resulting from the RFP. Contract negotiations may incorporate some or the entire proposal. It is understood that the proposal will become a part of the official procurement file on this matter without obligation to North Sound BH-ASO.
