October 1, 2024 • 11:00AM-1:30PM

The North Sound BH-ASO Advisory Board's First Annual Legislative Summit is an event to educate elected officials and/or candidates on issues that are important to individuals/families with behavioral health challenges. We will share North Sound's legislative priorities and community members will share personal stories as they relate to the priorities.

Empower individuals and families to improve their health and well-being.
