### **Report from the Executive Director**

JanRose Ottaway Martin, Executive Director

JanRose spoke on the following topics below. Discussion followed.

- Reserve Funds Claw Back
- Whatcom County Listening Sessions
- Lynwood Crisis Care Facility
- Legislative Update
  - WSAC House Bill 1813

**Adjourn** – Chair: 2:42 pm

*Next Meeting:* March 13<sup>th</sup>, 2025

**Weekly Crisis Metrics Report:**

See attached.

**BHASO Reserve Funds**

There has been no update on this issue since last month.

**Lynnwood Crisis Care Facility**

The stakeholder workgroup is finalizing the Request for Proposal (RFP) for this program now. North Sound BHASO is scheduled to release it in partnership with the City of Lynnwood on Monday, March 10<sup>th</sup>. Agencies will have 3 weeks to complete the RFP. The stakeholder group (North Sound BHASO, Snohomish County, City of Lynnwood, and two Managed Care Organizations) will take one week to review applications, allow one week if interviews are needed, and then make a determination by April 14<sup>th</sup>. Five agencies have indicated a desire to apply for this RFP at this time. More may come forward as the RFP releases.

**North Sound BH-ASO Advisory Board Olympia visit:**

North Sound BH-ASO Advisory Board visited legislators in Olympia February 17-19<sup>th</sup>, visiting 15 legislators. This was the first time the BH-ASO Advisory Board had done an in-person visit to Olympia since before COVID. Legislators were excited to see us return, and some even re-arranged their schedule to prioritize meeting with us.

**Legislative Update**

Washington State Association of Counties' (WSAC) HB 1813 has made it to the Rule Committee. It is pending movement to the floor. It has been edited so that it does not lay out a timeline for Medicaid re-procurement, but does indicate that HCA must start the planning process, and calls out multiple elements that need to be reviewed. At such time re-procurement moves forward, HB 1813 calls out that HCA should consider Crisis Behavioral Health Services being approached as a carve-out, meaning Medicaid dollars would be directed to BHASOs (versus routing through the MCOs). In the short term, HB 1813 requires HCA to require MCOs to delegate Crisis Care Facility work to the BHASOs.

**Endorsed Mobile Rapid Response Crisis Team(s) (MRRCT) in our region**

North Sound BHASO worked with Compass Health on the submission of two applications for this new body of work from our region—one to expand the Whatcom County adult MRRCT team and one to expand the Child/youth MRRCT in Snohomish. The Whatcom expansion would provide additional funds to meet timeliness, staffing, and responsiveness of that team. The Snohomish expansion would allow the team to expand from a Mon-Thur model to a 24/7/365 approach. We continue to have questions about funding from the state, and are looking for updates from the HCA in the near future around their approach to fund these expansions. Tentatively, the start date for these expansions would be June/July 2025.
