Report from the Executive Director

JanRose Ottaway-Martin gave the report from the Executive Director which included the following topics:

- Weekly Crisis Metrics Report
- Skagit County Prosecuting Attorney's Office

Adjourn 2:15 p.m.

Next Meeting: February 8th, 2024

Weekly Crisis Metrics Report:

See attached.

Skagit County PAO:

Health Care Authority (HCA) legal team, North Sound ASO, Skagit County Prosecuting Attorney's Office and a representative of Skagit County (Peter Browning) will be meeting virtually on February 7, 2024.

Managed Care Organization (MCO) Contract Negotiations:

North Sound BHASO is currently meeting with all 5 MCOs to negotiate our 2024 contracts. We are establishing updated PMPM's, attempting to add new CPT codes for new bodies or work, and discussing the reconciliation process with all 5 MCOs.

Crisis Stabilization Services – Delegation:

HCA, MCOs, and BHASOs are discussing the delegation of Crisis Stabilization Services including some of the new programs being developed under the 988 initiatives. The original plan was that MCOs and BHASOs would both contract with providers for this body of work, but given the standards and expectations associated with these enhanced teams, and the desire that the BHASOs would provide oversight of these programs meeting their programmatic requirements. North Sound supports this delegation both for programmatic reasons and to simplify administrative burden for the agencies. We are hopeful that a determination will be made soon.

Behavioral Health Department of Commerce applications:

Department of Commerce requires applicants who are seeking behavioral health-focused grants to seek a letter of endorsement from North Sound ASO if they are seeking to create a new program in the North Sound region. Our team has started meeting with applicants when we get the request to understand the programs they are hoping to get started as well as understand if that program is bridging a gap in the community.

Lynnwood Jail and 23 Hour Crisis Facility:

We met with Recovery International this week to get an update on their facility in Lynnwood. They have indicated that their construction should be finished around April and they are beginning to work on start-up purchases such as furnishing. The legislature had sent funds to help support those efforts to North Sound ASO so we are working with the establish billing protocol. The facility is not yet licensed and likely cannot be until the construction is complete. It is unclear how much current delays at Department of Health could delay their opening.

Olympic Heritage

The new facility in King County, Olympic Heritage has experienced several complications during their opening including a lack of coordination with the King County Prosecuting Attorney's Office. Given that the court system is not ready to fully meet the requirements of this facility, the clients who have been discharged to this lower level of care out of Western State Hospital are being transferred back to Western State Hospital any time they need a courtroom proceeding. North Sound ASO has been working with the state and other ASOs to understand overall clinical impact as well as individual impact to the clients. It is unclear when the issues will be fully remedied.
